Remote Access to Information and Participation

In accordance with Governor Newsom's statewide order for all residents to Shelter-in-place - and the numerous preceding local and state proclamations, orders and supplemental directions - aggressive directives have been issued to slow down and reduce the spread of the COVID-19 virus.

On May 29, 2020, the San Francisco Planning Department was authorized to allow policy bodies to hold remote public meetings without advance approval but prohibiting policy bodies other than the Board of Supervisors and its committees from meeting in person at a physical meeting location. Therefore, Citizen Advisory Committees meetings will be held via videoconferencing and allow for remote public comment. Staff strongly encourages interested parties to submit their comments in writing and in advance of the hearing to dylan.hamilton@sfgov.org
