The Way It Was:

The Planning Code mandates that an existing MCD must obtain all of the required City permits by March 1, 2008. This deadline was extended from July 1, 2007 in Ordinance No. 225-07, passed by the Board of Supervisors on September 25, 2007. Only those MCDs that have filed a permit with the Planning Department by July 1, 2007 are granted this extension. Any MCD that fails to obtain final permits on or before March 1, 2008 must cease operations.

The Way It Is Now:

The ordinance extends the time that an existing MCD can obtain all required City permits to **January 21, 2009**.
