The proposed Ordinance amended the Planning Code to allow accessory use entertainment with a Limited Live Performance (LLP) permit in the Regional Commercial District (RCD) and the Western South of Market Mixed Use General (WMUG) districts.

The Way It Was:

1. The accessory use provisions in Planning Code Section 703.2 did not allow an entertainment use requiring an LLP permit to be considered accessory to principal or conditional uses within the RCD.
2. The accessory use provisions in Planning Code Section 803.3 did not allow an entertainment use requiring an LLP permit to be considered accessory to principal or conditional uses within the WMUG.

The Way It Is Now:

1. Planning Code Section 703.2 now allows an entertainment use requiring an LLP permit to be considered accessory to principal or conditional uses within the RCD.
2. Planning Code Section 803.3 now allows an entertainment use requiring an LLP permit to be considered accessory to principal or conditional uses within the WMUG.
