RE: Request for a Letter of Determination for 1160 Byrant Street, SF, CA, 94103

(3525/088)

Dear Mr. Sanchez:

I am writing this letter for the purpose of obtaining a written determination as to whether or not a Medical Cannabis Dispensary may be established at the address 1160 Byrant Street, SF, CA, 94103. Please confirm that this location is eligible for a MCD permit pursuant to the regulations in San Francisco County governing medical Cannabis Dispensaries. 1160 Bryant Street is in the SALI- Service/Arts/Light Industrial Zoning District. Additionally, the parcel does not contain a facility providing substance abuse services.

Please confirm that the property is the required distance from any childcare facility, recreational service for children, public park, or any public or private elementary or secondary school serving persons under the age of eighteen.

Please provide any and all information that can further confirm the eligibility for an MCD specifically at the subject property.

Please find enclosed a check in the amount of six hundred and sixty four dollars in connection with the fee associated with this request.

Sincerely,

M.Ebrahi:
