e. Other Locational Data: Assessor's Parcel Number 3730 004

*P3a. Description: (Describe resource and major elements. Include design, materials, condition, alterations, size, setting, and boundaries)

230 7th Street is located on a 12,375 square-foot rectangular lot on the west side of 7th Street, between Howard and Folsom streets. Built in 1924, 230 7th Street is a 2-story, brick masonry industrial building designed in a 20th-Century Industrial style. The rectangular-plan building, clad in brick, is capped by a combination flat and gable roof with a clerestory lantern. The foundation is concrete. The primary façade faces east and includes 5 structural bays. Entrances are boarded up. Typical fenestration consists of multi-light industrial steel-sash windows with pivot mechanisms. Architectural details include lettering that reads "Wait Motor Supply" and metal coping at the roofline. The rear facade features an integral garage with a roll-up metal garage door.

The building appears to be in good condition.
