

India Basin/Hunters Point Shoreline (Area C) Workshop #3

May 21, 2008

6:00- 8:30 PM

Bayview Opera House

Hosted by the Bayview Hunters Point PAC Land Use & Transportation Committee

WORKSHOP GOALS

- To provide an overview of the **purpose and scope of the planning process**, and a **timeline** of where we are in the process.
- To understand the **India Basin context** as it informs decisions about land use and built form. Issues include topography, circulation, surrounding development proposals, and relevant city plans and policies.
- To discuss **land use, open space, circulation and building scale concepts** for India Basin that will inform plan development.
