**RE: ZONING VERIFICATION LETTER FOR THE PROPERTY**  
**AT 1 MARKET STREET. BLOCK: 3713 LOT: 006**

Dear Sir/Madam:

This letter is in response to the letter from Zoning-Info dated December 7, 2006 requesting a zoning verification letter for the property at 1 Market Street. This property is located in the C-3-O (Downtown Office) Zoning District with 150/200 feet height and "X/S" Bulk limitation. The Downtown Office district is more suitable for high quality office development supported by some retail and service uses within the area, with inappropriate uses excluded in order to conserve the supply of land in the core and its expansion areas for further development of major office buildings. The Downtown Office district permits retail business or personal service establishment not limited to sales and services in the immediate vicinity, and not restricted to sale of new commodities. The subject site is 45,164.50 square feet of lot area.

The subject property is not in any Special Use District. However, the subject building is a Category 1 building in the Downtown Area Plan under Article 11 of the Planning Code, listed in the 1976 Planning Department Survey of Architecturally significant Buildings and noted in the Heritage Foundation as a building of highest importance (meaning, individually the most important buildings in San Francisco, distinguished by outstanding qualities of architecture, historical values and relationship to the environment). Because the subject building is under Article 11 controls, any facade alterations must undergo a review process to determine whether the proposed work is a "major" or a "minor" alteration. If the alteration is "minor", then the permit is reviewed administratively. If the alteration is "major", then the applicant must file a Permit to Alter, which is reviewed by the Landmarks and Preservation Advisory Board, and acted upon by the Director of Planning.

Our records do not indicate any variances, special exceptions, or conditional use permit granted for Planned Unit Development on the subject property. Our assessor's records show the use for this property as Office Buildings. This is a permitted use in the C-3-O zoning district. There are no non-conforming uses noted on our property profile and no complaints noted on our Planning Enforcement Tracking records for this property.

For information regarding the appeals process, please contact the Board of Permit Appeals located at 1660 Mission Street, Room 3036, San Francisco, or call (415) 575-6880.
