RE: ZONING VERIFICATION LETTER FOR THE PROPERTY AT 11 DOLORES STREET. BLOCK: 3534 LOT: 031A

Dear Mr. Johnson:

This letter is in response to your letter dated January 13, 2005 requesting a zoning verification letter for the property at 11 Dolores Street. This property is located in an RM-2 (Residential, Mixed, Moderate Density) Zoning District with 40 feet height limit. The RM-2 zoning district permits a residential density of one dwelling unit per 600 square feet of lot area. The subject site is 4,000 square feet.

The subject property is not in any Special Use District. Our assessor's records for this property shows the subject building is occupied by an Apartment House with an authorized use of fifteen dwelling units. The current RM-2 zoning would allow 7 dwelling unit on this site. This information would indicate 8 of the existing 15-units are legal non-conforming units. There are no legal non-conforming commercial uses noted on our property profile and no complaints noted on our Planning Enforcement Tracking records for this property.

Information regarding violations of the Building Code as well as the Certificate of Occupancy are the jurisdiction of the Department of Building Inspection. For violations please contact this department at:

This letter and the attached information sheets should provide you with a summary of the information requested in your letter dated January 13, 2005. The Planning Department has not made a site inspection to determine the existence of possible unabated violations of the Planning Code. Our current records do not indicate any Planning Code violations. Any additional research needed shall be subject to time and materials billing at the standard Planning Department rates. If you should have any further questions please contact Valentine Isoken Omokaro at 415-558-6403.

If you believe this determination represents an error in interpretation of the Planning Code or abuse in discretion by the Zoning Administrator, an appeal may be filed with the Board of Permit Appeals within 15 days of the date of this letter. For information regarding the appeals process, please contact the Board of Permit Appeals located at 1660 Mission Street, Room 3036, San Francisco, or call (415) 575-6880.

Sincerely,

Lawrence B. Badiner (Zoning Administrator)
