RE: ZONING LETTER FOR THE PROPERTY AT 1601 – 19TH AVENUE
(AKA 1701 – 19TH AVENUE) BLOCK: 1924 LOT: 004

Dear Ms. Suttle:

This letter is in response to your correspondence of April 9, 2007 requesting zoning information for the property at 1601 – 19th Avenue. This property is located in the RH-2 (Residential, House Districts, Two-Family) zoning district with 40 feet height and "X" bulk limitation. We have attached a summary of the zoning controls for the district.

The subject property is not in any Special Use District. Historic or architectural ratings, case tracking records and our property information report for the subject property are attached.

The Planning Code Section 181(d) and 188(b) allow a legally constructed structure that is destroyed by fire, other calamity, or by act of God or the public enemy to be restored to its original condition and use provided that such restoration is permitted by the Building Code and is started within one year and diligently prosecuted to completion. This allows the reconstruction of a non-conforming use, a non-complying building or conditional use that has all applicable building permits and a Certificate of Occupancy on record with the Department of Building Inspection. Uses, buildings and features not legally built or established may be replaced only with uses, buildings or features that conform to current standards.
