**RE: ZONING LETTER FOR THE PROPERTY AT 580 CALIFORNIA STREET  
BLOCK: 0240 LOT: 007**

Dear Sir/Madam:

This letter is in response to the correspondence of December 7, 2006 requesting zoning information for the property at 580 California Street. This property is located in the C-3-O (Downtown Office) zoning district with 250 feet height and "S" bulk limitation. The subject site is 16,125 square feet.

The subject property is not in any Special Use District. Our records do not indicate any variances, special exceptions or conditional use permits granted for Planned Unit Development on the subject property. Our records show that a Notice of Special Restrictions number D293119 for the Transfer of Development Rights is recorded on the subject property. Our assessor's record shows that the subject property is occupied by offices. This is a permitted use in the C-3-O zoning district. There are no non-conforming uses noted in our property profile and no complaints noted on our Planning Enforcement Tracking records for this property.

Planning Code Section 181(d) and 188(b) would allow a structure that is damaged or destroyed by fire, other calamity, act of God or the public enemy to be restored to its original condition and use provided that such restoration is permitted by the Building Code and is started within one year and diligently prosecuted to completion. Thus, if the subject building is destroyed as stated herein, it can be rebuilt to its original condition and use.

Information regarding violations of the Building Code as well as the Certificate of Occupancy is the jurisdiction of the Department of Building Inspection. For violations please contact this department at:
