

▼ The Draft Glen Park Community Plan proposes a number of improvements to the neighborhood. Some of these are identified on this map.

Explore potential for creating greenway connection to Glen Canyon and daylighting portions of Islais Creek.

Improve the publicly and privately-owned sites on the northwest corner of Bosworth & Diamond Streets.

Address pedestrian safety in and around the Village.  
Develop solutions to calm traffic.  
Make short-term parking available for businesses.

Explore alternative uses for BART parking lot.

Restore neighborhood connections.

Redesign BART Plaza to better address the neighborhood.

Convert San Jose Avenue from "freeway" to city street.

Consider creating a bus loop around the BART station.

Roundabouts @ Bosworth/Arlington & Bosworth/Lyell Street intersections.

Create accessible connection between BART and the Muni J-Church line.
