Re: Request for Letter of Determination
869 North Point Street
Block/Lot: 0026/019B

Dear Ms. Moberg,

We are in receipt of your letter dated February 13, 2007 requesting a letter of determination as to whether or not the above project was incorrectly subjected to an exemption from having to prove soundness.

Please be advised that since this project is currently the subject of appeal at the Board of Appeals, it is no longer within my jurisdiction, and therefore I cannot comment on your request. I have consulted with the City Attorney on this issue.

As a further comment, I did not receive your fax of February 23rd until after yesterday's meeting.

Sincerely,

Lawrence B. Badiner
Zoning Administrator
